\_\_\_\_\_ the  
members of the LPG Staaken (union of allotment holders) were  
informed to harvest and evacuate their truck gardens on Staaken  
airfield by 15 August 1955. The field was again to be taken over  
by the Red Army and put in operation as a replacement for Schoenefeld  
airfield.

25X1

\_\_\_\_\_ Comment. The information that Staaken airfield will presumably be  
operated by the Soviet Air Force is doubted. At present, a detail of the  
border guard and the school for home and export trade of the GDR (DIA)  
are located at the field.
